Dear Calypso Fans,

I hope that you and your family are safe and doing well. As you all know, we have lost a lot of our friends and family in the caribbean community due to the Corona Virus - so please be careful!

From early 2019 to now, we have continued to expand the show's presence online. Our website is up and running with an ever-expanding archive of Calypso and Steelpan shows. In addition, we continue to stream live to every rock in the world on [www.trevorwilkinsshow.com](http://www.trevorwilkinsshow.com). This has allowed our listeners to hear the greatest Calypso show from anywhere, anytime, at no personal cost.

Unfortunately, since the virus became a pandemic, we have had no access to the radio station since March 14th, 2020. In order to bring you live programming once again, we decided, at great personal cost, to build our own studio. As a result, we were able to broadcast our first live show on Saturday, September 26th. I hope that you are enjoying the live programming as much as I am!

My Calypso Friends, with all the investments we made into building the studio (e.g., new turntables, CD players, mixer, speakers, etc.), we desperately need your financial support at this juncture in our show's history. We are facing an unprecedented advertising environment - no calypso parties, shows or events - which has greatly reduced our income from Sponsorships. Without your support, we find it challenging to meet our airtime payments and sustain the show.

We have made it extremely easy to donate on our website or by mail. So please contribute generously to our Spring Fund Drive and help us keep calypso music alive!

For your gift of \$100 or more, you will receive the **Late Great Singing Sandra's, "Praises For My Blessings"** featuring a compilation of the best of **Singing Sandra's Calypsoes**, plus it comes with liner notes.

Thank you for being a long-time listener and supporter. We are ever grateful for your financial support.

Sincerely,

**TREVOR WILKINS**
